

Buckden Tennis Club **Safeguarding Policy**

Safeguarding Policy

1. Policy statement

Buckden Tennis Club is committed to prioritising the well-being of all children and adults at risk, promoting safeguarding in our club at all times, including all programmes and events we run. This Policy strives to minimise risk, deliver a positive tennis experience for everyone and respond appropriately to all safeguarding concerns/disclosures.

2. Use of terminology

Child: a person under the age of eighteen years.

Note that some legislation in Scotland defines a child as a person under sixteen years old. However, where there is any safeguarding concern, anyone under the age of 18 is regarded as a child unless advised otherwise by the LTA Safeguarding Team .

Adult at risk of abuse or neglect: a person aged eighteen years or over who is, or may be, in need of community care services by reason of disability, age or illness; and is, or may be, unable to take care of, or unable to protect him or herself against abuse or neglect.

Safeguarding children: protecting children from abuse and neglect, preventing the impairment of children's health or development, ensuring that they grow up in circumstances consistent with the provision of safe and effective care, and taking action to enable all children to have the best life chances.

Safeguarding adults at risk: protecting adults from abuse and/or neglect. Enabling adults to maintain control over their lives and make informed choices without coercion. Empowering adults at risk, consulting them before taking action, unless someone lacks the capacity to make a decision, or their mental health poses a risk to their own or someone else's safety, in which case, always acting in his or her best interests.

(See appendix A for full glossary of terms).

3. Scope

This Policy is applicable to all volunteers, committee members, coaches and club members. It is in line with national legislation and applicable across the UK.

Advice, guidance and support is available from the LTA Safeguarding Team.

4. Responsibility for the implementation of the Safeguarding Policy, Code of Conduct and Reporting Procedure

SAFEGUARDING IS EVERYONE'S RESPONSIBILITY: NOT RESPONDING TO A SAFEGUARDING CONCERN IS NOT AN OPTION.

- Our club's committee has overall accountability for this Policy and its implementation
- Our club Welfare Officer is responsible for updating this Policy in line with legislative and club developments
- All individuals involved in/present at the club are required to adhere to the Policy and Code of Conduct
- The LTA Safeguarding Team and Tennis Scotland, Tennis Wales and Tennis Foundation Safeguarding Leads can offer support to help clubs proactively safeguard.

How to raise a concern about a child or an adult at risk at the club

If a child or an adult at risk is in immediate danger or risk of harm, the police should be contacted by calling 999.

Where a child or an adult at risk is not in immediate danger, any concerns about their well-being should be made without delay to the Club Welfare Officer. The Club Welfare Officer will pass the details of the concern on to the LTA Safeguarding Team at the earliest opportunity and the relevant local authority and the police will be contacted, where appropriate.

If, however, the whistle blower does not feel comfortable raising a concern with the Club Welfare Officer, the whistle blower should contact the LTA Safeguarding Team directly on 020 8487 7000, the Local Authority Designated Officer (LADO) or the NSPCC on 0800 800 5000.

The Club Welfare Officer can be contacted on: *07903 112760 or vixposey@hotmail.com*

Information to include when raising a concern

The whistle blower should provide as much information as possible regarding the incident or circumstance which has given rise to the concern, including:

- their name and contact details (unless they wish to remain anonymous);
- names of individuals involved;
- date, time and location of incident/circumstance; and
- whether any witnesses were present.

What happens next?

All concerns raised by a whistle blower about the well-being of a child or an adult at risk will be taken seriously and every effort will be made to deal with each concern fairly, quickly and proportionately.

If the whistle blower does not believe that the concern has been dealt with appropriately and wishes to speak to someone outside the club or the LTA Safeguarding Team, the NSPCC Whistleblowing advice line should be contacted on 0800 028 0285 or by emailing help@nspcc.org.uk.
